plant cafe with cats??? (i think this would make a really attractive website

Animals

Cat cafe

Rescue cats

I think lots a green

I think we could make this visually look really good and we could do a lot with it. also we could start of basic and continue adding to it if we have time

pastel colours

cool vegan place

playful design

How about a vegan cat cafe that sells plants?????

Sustainable business donating money to rescues?

hip place

Start with a detailed plan – 20 mins

Lo & hi fidelity designs, copy CSS code from Figma

Gourmet restaurant by night, cat café by day?

Use Code Pen for some code examples, i.e. navigation bar and layouts
